

Iran Regional Chapter (ISKO-Iran)

2012 Report

The Iranian Regional chapter of the International Society for Knowledge Organization had some professional activities in the year 2012. A brief rundown of those activities is presented here:

1. Bylaws

In 2012/May, the chapter's bylaws were written, and approved in the Twelfth International ISKO Conference. The [bylaws](#) are available on the official web site of the Iranian regional chapter now.

2. Meetings

The Iranian regional chapter held a meeting on October 9th, 2012. In the meeting, the head of the ISKO-Iran's committee were appointed and the future programs of the chapter were planned.

Another meeting was held (in 12 December 2012) with the High Commission for National Information System to begin joint activities. It led to the development of a constitution for the National committee for Information and Knowledge Organization. The Committee is being established soon.
